

USER GUIDE

Staff Handbook

Your complete guide to clocking in, managing your jobs, leave, overtime, and pay through the BCF Staff Portal.

DOCUMENT	VERSION	ISSUE DATE	FOR
BCF-UG-STAFF-001	1.0	May 2026	Staff

Quick Reference

The most common actions for Staffs at a glance

Clock In

1. Go to Dashboard or Attendance
2. Press "Clock In"
3. Your live timer starts

Clock Out

1. Go to Dashboard or Attendance
2. Press "Clock Out"
3. Your hours are saved

Take a Break

1. While clocked in, press "Take Break" or "Lunch Break"
2. Press "End Break" when you return

View My Jobs

1. Click "My Jobs" in the left menu
2. See Upcoming, Past, or All jobs
3. Press ► Start or ✓ Complete to update

Request Leave

1. Go to "Leave" in the menu
2. Click "New Request"
3. Choose type, dates, then Submit

View My Payslip

1. Go to "My Payslip" in the menu
2. Select a pay period to view the breakdown

1 Getting Started

Logging in and understanding your dashboard

Logging In

- 1 Open a browser and go to **<https://staff.bespokegardenroomsballycastle.co.uk>**
- 2 Enter your **email address** and **password**, then click **Log In**.
- 3 **First time?** If you were given a temporary password, you'll be asked to create a new one before you can continue.

Your password is private — never share it. If you're locked out, contact your manager or HR to get a reset.

Your Dashboard

After logging in, your Dashboard gives you a snapshot of today:

Clock-In Widget

Shows if you're clocked in with a live timer. Use it to clock in/out and take breaks.

Weekly Hours Chart

A bar chart of your approved hours for each day this week (Mon–Sun).

Upcoming Jobs

Your next 5 scheduled or in-progress jobs with date, time, and project.

Leave Balance

Your annual leave entitlement, days used, pending, and days remaining.

2 Clocking In & Out

Recording your work time every day

Clocking In

- 1 Go to the **Dashboard** or click **Attendance** in the left menu.
- 2 Press the **"Clock In"** button.
If you have an approved overtime request for today, a popup asks you to select: Regular, OT, or RDOT.
- 3 You're now clocked in. A green live timer shows how long you've been working.

Clock in as close as possible to your actual start time. Your manager reviews entries for accuracy.

Clocking Out

- 1 Return to the **Dashboard** or **Attendance** page.
- 2 Press the **"Clock Out"** button.
- 3 Your shift is recorded. Total hours are calculated automatically (minus any break time).
- 4 Your entry goes to **Pending** — your manager will review and approve it.

You can only be clocked in once at a time. If you forget to clock in or out, tell your manager — they can add or fix an entry for you.

Taking Breaks

- 1 While clocked in, press **"Take Break"** (short break) or **"Lunch Break"**.
- 2 Your status changes and the work timer pauses. Your break is being tracked.
- 3 When you return, press **"End Break"**. The break duration is saved and deducted from your hours.

Clock-In Status

Status	What it means	Indicator colour
Working	Actively clocked in and working	 Green
On Break	Taking a short break	 Amber
On Lunch	Taking a lunch break	 Amber

Status	What it means	Indicator colour
Clocked Out	Shift has ended for today	 Grey

3 My Jobs

Viewing and updating your assigned work

The **My Jobs** page (in the left menu) shows all jobs you've been assigned to — upcoming, in-progress, and completed — grouped by date.

Navigating My Jobs

**Upcoming**
Default view — jobs from today forward, sorted by soonest first.

**Past**
Jobs from previous dates — check your history.

**All**
Every job regardless of date.

**Filters**
Filter by status (Scheduled, In Progress, Completed) or date range.

Updating a Job Status

When you arrive on site or finish a job, update its status:

- 1 Find the job in **My Jobs** (it will show a status badge).
- 2 If the job is **Scheduled**, press "**► Start**" to mark it as In Progress.
- 3 Once the work is done, press "**✓ Complete**" to mark it as Completed.

 Updating the job status keeps your manager informed of progress in real time. Completed jobs automatically update any linked project checklist.

Job Status Guide

Status	Meaning	Your action
 Scheduled	Job is planned but not yet started	Press ► Start when you begin
 In Progress	Job is underway	Press ✓ Complete when done
 Completed	Job is finished	No further action needed
 Cancelled	Job has been cancelled	Contact your manager if queried

Job Information

Each job card shows: date, start/end time, project name, van registration, and your assigned crew members.

4 Leave Requests

Requesting time off

- 1 Click **Leave** in the left navigation.
- 2 Click "**New Request**".
- 3 Select the **Leave Type**: Annual, Sick, Compassionate, or Other.
- 4 Pick your **start date** and **end date**. The number of working days is calculated automatically.
- 5 Add an optional note (e.g. reason, doctor's appointment details), then click **Submit**.
- 6 Your request shows as **Pending** until your manager responds. You'll get a notification of the decision.

Leave Types

Type	Deducts Annual Leave?	When to use
Annual Leave	Yes	Planned holidays or personal days off
Sick Leave	No	Illness or medical appointments
Compassionate	No	Bereavement, family emergency
Other	Varies	Any other agreed absence

Check your leave balance on the Dashboard **before** you submit. If your remaining days are less than the request, it may be declined.

5 Overtime Requests

Getting OT pre-approved before working extra hours

If you're asked to work overtime, submit a request **before** the day so your manager can approve it.

- 1 Click **Overtime** in the left menu.
- 2 Click "**New Request**". Choose the date, type (**OT** or **RDOT**), and add a note.
- 3 Submit. Your manager is notified and will approve or decline.
- 4 Once approved, on that date you'll see an OT option when you clock in.

OT (Overtime)

Standard overtime on a normal working day. All clocked hours count as OT hours in payroll.

RDOT (Rest Day)

Working on a day off or public holiday. All hours are overtime regardless of duration.

6

My Payslip

Understanding your pay breakdown

Go to **My Payslip** in the left navigation to see your pay for each period. Your payslip is generated by your manager and locked once approved.

Regular Hours

Hours worked within your standard shift (up to 8h per day on normal shifts).

Overtime Hours

Hours beyond 8h, or all hours on an approved OT/RDOT shift.

Gross Pay

Total pay before deductions (regular rate × regular hours + OT rate × OT hours).

Deductions

Any amounts taken off (e.g. advance repayments). Listed with descriptions.

Net Pay

Your take-home amount after all deductions.

Approved Lock

Once your manager approves, the payslip is locked and cannot be changed.

If you believe there's an error on your payslip, contact your manager or HR **before** it is approved — approved payslips are locked.

7

My QR Code

Your contactless clock-in ID

Each staff member has a unique QR code. A site manager or site head can scan it to clock you in or out on-site when you don't have access to a device.

1

Go to **"My QR Code"** in the left navigation.

2

Your QR code is displayed on screen. Tap **"Download"** to save it.

3

Show it to your site head or manager when on site. They'll scan it with the QR Scanner.

Save a screenshot of your QR code to your phone's photos — then you always have it even without internet access.

8

Profile & Account

Managing your personal settings

1

Click your **name or avatar** at the top-right corner of any page to open your profile.

- 2 From the **Profile** tab you can update your photo, name, and contact details.
- 3 From the **Security** tab you can change your password.

If you're asked to set a new password (forced reset), you must complete it before using the portal. Use a password that's at least 8 characters with a mix of letters, numbers, and symbols.

9

Frequently Asked Questions

Q I forgot to clock in. What do I do?

A Don't try to create a duplicate entry. Tell your manager or HR as soon as possible and they will add a manual time entry for you with the correct times.

Q I forgot to clock out. Is my shift still saved?

A Yes — your clock-in is recorded. Your manager will see the entry is still open and can update it with your clock-out time. Let them know what time you finished.

Q My attendance entry shows as Rejected. What now?

A Your manager will have added a reason. Contact them directly to discuss. They may ask you to re-submit or will create a corrected manual entry.

Q Can I take more than one break in a shift?

A You can only have one active break at a time. End your current break before starting another. Multiple breaks across a shift are supported.

Q I can't see a job I was assigned to.

A Check the "All" tab in My Jobs to see every job regardless of date. If it's still not there, contact your manager — you may not have been assigned yet.

Q My leave request has been pending for a long time.

A Your manager may not have reviewed it yet. You can also see the status in the Leave page. If it's urgent, speak to them directly.

Q I can't log in / forgot my password.

A You cannot reset your own password. Contact your manager or HR — they'll generate a temporary password that you'll be required to change on first login.

Q Where can I see my attendance history?

A Go to "Attendance" in the left menu. You'll see all your clock-in records with times, hours, break minutes, and approval status.
