* BGR requires each user to connect their own BGR account (email & password) under Client Projects. Once connected, they see their assigned projects only.

CHAPTER 1

Getting Started

Logging in and navigating the portal for the first time

HOW TO LOG IN

- 1 Open the portal in your browser and go to the login page.
- 2 Enter your **email address** and **password** provided by your admin.
- 3 Click **Sign In**. You will be taken to your Dashboard.
- 4 **First-time login:** you will be prompted to set a new password before continuing.

If you forget your password, ask your Admin or Manager to send you a reset link from Staff Management.

THE NAVIGATION SIDEBAR

Dashboard

- Your personal overview — jobs today, attendance status, notifications

Live Board

- All scheduled jobs for a given date
- Navigate dates using the arrow buttons

Projects

- Internal project list with checklist tracking
- Visible to Admin, Manager, Site Head

Attendance

- Clock in and out, view history, manage breaks

Leave

- Submit leave requests, view your balance and history

Client Projects

- BGR and BCF integrations for client-facing work

NOTIFICATIONS

The bell icon (top-right) shows unread alerts — job assignments, leave status changes, and more.

Job assigned to you

Leave approved / rejected

Attendance reminder

YOUR PROFILE

Avatar

- Upload a profile photo from Profile → Edit

Password

- Change your password anytime under Profile → Change Password

USER ROLE

Admin

Full access to every feature in the portal

Admins have unrestricted access to all features. Use this power carefully — changes like deactivating staff or deleting jobs are permanent.

DASHBOARD & CALENDAR

Dashboard

- Today's jobs overview
- Pending leave & attendance counts
- Recent activity feed

Calendar

- Monthly view of all scheduled jobs and staff shifts

LIVE BOARD — JOBS

Create Jobs

- Set title, date, start/end time
- Assign crew members and a van
- Link to a project, BCF order, or BGR stage

Edit & Delete Jobs

- Modify any field at any time
- Only Admin and Manager can delete jobs

Status Management

- Scheduled → In Progress → Completed / Cancelled
- Completing a BCF-linked job auto-marks the BCF stage as Done

Client Linking

- Link a job to a BCF order stage
- Link a job to a BGR project stage
- Linked jobs appear as coloured pills in the client portals

PROJECTS

Create & Manage

- Create projects with name, customer, business (BCF/BGR)
- Set status: Planning, Active, On Hold, Completed

Checklists

- Add checklist items per project
- Items auto-created when a job is linked to a project
- Toggle items as complete/incomplete

STAFF MANAGEMENT

Add & Edit Staff

- Create accounts with name, email, role, pay details
- Upload avatar, set employment dates

Access Control

- Deactivate / reactivate accounts
- Force password reset via email link

Onboarding Docs

- Upload and manage onboarding documents per staff member

Account Linking

- Link staff to BCF worker account
- Connect BGR account for client project access

ATTENDANCE, LEAVE & OVERTIME

Attendance

- View all staff records
- Approve, reject, or add manual entries
- Bulk approve pending entries
- Export to Excel

Leave

- Approve or reject any request
- View leave balance for any staff member
- System warns if a job is on an approved leave date

Overtime

- Approve or reject overtime requests
- View all submissions across all staff

QR Clock-In

- Scan any staff member's QR code at the site to clock them in/out
- View your own QR at /my-qr

FLEET, PAYROLL & MORE

Vans

- Add/edit vans, activate/deactivate
- Assign a driver and record notes
- View full assignment history

Payroll

- Create payroll runs, approve individually or in bulk
- Export data to Excel
- Set payroll cutoff date

Training

- Create modules and lessons
- Manage enrollments per staff member
- Track completion progress

Businesses

- Create and manage business entities (BCF, BGR)
- Activate/deactivate

AUDIT & REPORTS

Audit Log

- Full trail of all portal changes — who changed what and when

Reports

- Aggregated attendance and payroll reports
- Export payroll data to Excel

USER ROLE

Manager

Operational control across jobs, staff, and attendance

Managers have the same day-to-day access as Admins. The only difference is that Managers cannot permanently force-delete records.

WHAT MANAGERS CAN DO

Live Board

- Create, edit, and delete jobs
- Assign crew, vans, and client links
- Change job status and manage the daily schedule

Projects

- Create and edit projects
- Manage checklists and project status
- Assign site heads and staff to projects

Attendance

- View all staff records
- Approve, reject, and manually add entries
- Bulk approve and export to Excel

Leave

- Approve or reject any leave request
- View leave balance summary per staff

Overtime

- Review and approve/reject overtime submissions

Vans

- Add and manage fleet vehicles
- Assign and return drivers
- View allocation history

Staff

- Add and edit staff accounts
- Deactivate accounts, force password reset
- Manage onboarding documents

Payroll

- Create, approve, and export payroll runs
- View all staff payslips

Training

- Create training modules and lessons
- Manage staff enrollments and track progress

BCF & BGR

- Full access to all BCF orders
- Connect BGR account for client projects
- Link jobs to client stages

Audit & Reports

- View audit log and generate reports
- Export payroll and attendance data

Settings

- Update company-wide portal settings and preferences

USER ROLE

HR

People management, attendance, overtime and payroll

HR manages staff records and attendance but does not have access to projects, jobs, vans, or leave approval. Leave must be approved by an Admin or Manager.

STAFF MANAGEMENT

Add New Staff

- Create staff accounts: name, email, role, pay grade, contract type
- Upload profile avatar

Edit Staff Details

- Update personal info, role, bank details, contact information

Account Control

- Deactivate and reactivate staff accounts
- Force password reset for any staff member

Onboarding

- Upload, view, and delete onboarding documents per staff member

ATTENDANCE

View All Records

- See every staff member's clock-in/out history
- Filter by date range, status, or individual

Approve & Reject

- Approve or reject individual time entries
- Bulk approve all pending entries at once

Manual Entry

- Add a time entry on behalf of a staff member (e.g. forgotten clock-in)

Export

- Export attendance data to Excel for payroll or reporting

OVERTIME & PAYROLL

Overtime Review

- View all overtime requests
- Approve or reject submissions

Payroll Runs

- Create payroll runs for a date range
- Approve payroll entries
- View payslips for all staff

SELF-SERVICE

Leave

- Submit and track your own leave requests
- View all staff leave (read-only — approval by Admin/Manager)

Attendance

- Clock in and out for yourself
- Manage your own breaks

QR Code

- View your personal QR at /my-qr for on-site clock-in

BCF Orders

- View all BCF client orders (full access, unfiltered)

USER ROLE

Site Head

Manage jobs and oversee staff on your assigned projects

Site Heads only see jobs and projects they are assigned to. They cannot delete jobs, manage payroll, approve leave, or access HR records.

LIVE BOARD — YOUR PROJECTS

View Jobs

- See all jobs linked to your assigned projects
- Navigate dates with the arrow buttons

Create Jobs

- Add jobs for your projects: title, date, time, crew, van
- Link to a BCF order or BGR project stage

Edit Jobs

- Modify any field on jobs belonging to your projects

Update Status

- Change job status: Scheduled → In Progress → Completed / Cancelled
- Cannot delete jobs — ask a Manager

PROJECTS (READ-ONLY)

View Your Projects

- See project details, dates, customer, and business type
- View the project checklist (items synced from jobs)

Cannot Create/Edit

- Project creation and editing is restricted to Admin and Manager
- Contact your manager to make project changes

STAFF & VANS

View Staff

- Browse the full staff list and individual profiles (read-only)

View Vans

- See all active vans and current assigned drivers (read-only)

ATTENDANCE

View Records

- See all staff attendance records across the company

Clock In/Out

- Clock in and out for yourself
- Start and end your breaks

SELF-SERVICE

Leave

- Submit leave requests and view your own history and balance

Overtime

- Submit overtime requests for additional hours worked

Training

- View and complete your enrolled training modules

BGR Projects

- Connect your BGR account to view and manage your assigned client projects
- Complete tasks, post updates, and upload photos

USER ROLE

Staff

Self-service access to your jobs, attendance, leave and training

Staff have self-service access only. You can view your own jobs, manage your attendance, request leave, track training, and view your payslip.

YOUR DAILY WORKFLOW

- 1 Check **Dashboard** or **Live Board** to see your jobs for today.
- 2 When you arrive on site, tap **Clock In** on the Attendance page (or use your QR code).
- 3 Use **Start Break / End Break** buttons during your shift.
- 4 **Clock Out** when your shift ends. Your entry is sent for approval.

LIVE BOARD

Your Jobs

- View all jobs you are assigned to for any date
- Navigate dates using the left/right arrows
- Cannot create, edit, or change job status — speak to your site head or manager

ATTENDANCE

Clock In/Out

- Tap Clock In when you start your shift
- Tap Clock Out when you finish

Breaks

- Start Break when you take a break
- End Break when you return
- Break time is deducted from your total hours

QR Code

- Go to /my-qr to display your personal QR code
- A supervisor can scan it to clock you in/out on-site

History

- View your own past attendance entries and approved hours

LEAVE

Request Leave

- Go to Leave and click New Request
- Select type: Annual, Sick, Unpaid, Other
- Choose dates and add a reason

Your Balance

- View remaining annual leave days
- See all past requests and their status (Pending/Approved/Rejected)

OVERTIME

Submit Overtime

- Go to Overtime and click New Request
- Enter the date, hours worked, and reason
- Your manager will approve or reject it

TRAINING

Your Modules

- View training modules you are enrolled in
- Progress through lessons at your own pace

Watch Lessons

- Click a lesson to watch the video
- Your progress is saved automatically

PAYSLIP

My Payslip

- Go to /my-payslip to view your most recent payslip
- Download or print from the browser

PROFILE

Avatar

- Upload a profile photo from Profile → Edit

Password

- Change your password anytime under Profile → Change Password
